Dear Sir ,

ANUGRAMIK is a Recruitment & Training company in the agriculture sector with an objective to bridge the skilled manpower gap of industry.

As an emerging Recruitment & Training company in the Agriculture sector, we are committed to identifying most potential candidates to our client Job Vacancy. In this regard we are reaching out to various colleges across regions to collect candidates' profiles.

We are looking forward to partnering with your esteemed college to fill the exciting job vacancies for our client. So we are organizing a wonderful session for students who are taking steps ahead for their placements on Wednesday 5 July . We are inviting you and your students for the great session which can be very helpful for students and will get to learn a lot. Please attend the session .

Mentioning a link for the online session with students .

Application to organise an online video session with students about placement opportunities and training.

Dear Sir/Madam,

As a emerging Recruitment & Training company in Agriculture sector, **ANUGRAMIK** committed to identifying most potential candidates to our client Job Vacancy. In this regard we are reaching out to various colleges across regions to collect candidates' profile.

We recognise that colleges serve as a breeding ground for skilled individual with diverse background, qualification & expertise. . By collaborating with the colleges, we hope to expand our recruitment pool & provide diverse skilled candidate to our clients' requirement.

Therefore, we request you to light us once with student of your college for an online video session on 5th of July 2023 . We want to interact with them to guide them about agriculture industry , job opportunities , as well as the training , the freshers need for better placement which will make it easier for them to get a job . With this the interested candidates will be able to connect with us .

We invite you and your students to attend the workshop .

Date of Workshop :- 5th July 2023

time :- 4 PM to 5 PM

Please attend the session at 5 Pm
