WORKSHOP ON ZOTERO

(Open-source reference management software for Academic Writing)

15 April, 2023 (Saturday): 10.30 AM – 01.00 PM

Venue: Mini Auditorium, BAU, Sabour

The workshop is intended to instil knowledge among the PG scholars to write better academic articles with the use of open-source software Zotero for managing the references in a better way. This is one of the essential skills which every research scholar should be using in their day-to-day academic writing.

Objectives of the workshop

- How to install and integrate Zotero with a word processor on your computer/ laptop.
- Steps to collect the review from Google Scholar/other databases and populate it on Zotero.
- How to write for journals using different citation styles.
- Hands-on exercises to quickly learn and start using Zotero in day-to-day academic writing.

Requirements

- Bring your laptop with you for real-time exercise using Zotero.
- Previous work experience with Zotero is not necessary.

Participants

M.Sc. and Ph.D. scholar (any discipline) interested in writing academic papers.
