COLLEGE OF AGRI BUSINESS MANAGEMENT
Sabour, Bhagalpur- 813210
(Bihar Agricultural University, Sabour)

1.0 ABOUT UNIVERSITY

Bihar Agricultural University, Sabour, established on 5th August, 2010 by an Act (No. 20 of 2010) State Legislature of Bihar as a State University specified by the UGC under section 22 of the UGC Act, 1956, is working for accelerating the growth of agriculture sector through technological interventions in the state. The university within a short span of fourteen years of its establishment has achieved several milestones and attained 36th NIRF rank in Agriculture & Allied Sector in the year 2024. Recently the university has been accredited with Grade A by the NAAC. The University has

been established at Historical Bihar Agricultural College Campus located at Sabour, Bhagalpur. The college is one of the five colleges established in undivided India in the year 1908.

Bihar Agricultural University is basic and strategic institution supporting more than 500 researchers and educationist towards imparting education at graduate and post graduate level, conducting basic, strategic, applied and adaptive research activities, ensuring effective transfer of technologies and capacity building of farmers and extension personnel. The degree programmes of the university and its colleges are accredited by ICAR. The university is also an ISO 9001:2015 certified organization with International standard operating protocols for maintaining highest standards in teaching, research, extension and training. The university has 10 colleges & 12 research stations located in 3 agro-ecological zones of Bihar. The University also has 22 KVKs under its jurisdiction.

This University is situated about 8 km east of Bhagalpur and the nearest railway station is Sabour. Sabour is directly connected by road and rail. The National Highway No. 80 passes through Sabour which links Guwahati (Assam) and Patna (Bihar). The nearest Air Port (Patna) is located about 230 kms away from the University campus.

CABM Information Brochure 2025-26

1.1 VISION

Bihar Agricultural University (BAU) was established with a vision of improving quality of life of the people of the state specially the farming community which constitute more than two-third of the population.

1.2 MANDATE

Education: Developing quality human ware and suitably trained human resources through professional programmes in agriculture and allied field.

Research: Undertaking mutually reinforced basic, applied and adaptive research and developing, acquiring and refining technologies along with the value chain to address the present and emerging problems and to capture new opportunities.

Extension: Ensuring effective transfer and adoption of appropriate technologies and knowledge through dynamic extension services consistent with socio-economic (income, inclusiveness and employment) and agro-ecological security.

Training: Establishing centre for excellence in training for capacity building of extension professional paraprofessionals as well as vocational training of adults, youth and women through conventional as well as open and distance learning.

1.3 EDUCATION

The BAU is endeavouring to produce well trained and quality human resources in the form of Agricultural Graduates having knowledge, skills, proficiencies and also entrepreneurship abilities in vital areas of agriculture and allied discipline by imparting B.Sc.(Hons.) Agriculture, B.Sc.(Hons.) Horticulture Degrees, B.Sc. (Hons.) Forestry, B.Tech. Bio-Technology & B.Tech Agricultural Engineering. The Post Graduate (Master) Programme are offered in fourteen disciplines of agricultural science. The library at university and colleges are equipped with sevices like E-access, CDRom, book bank, references, circulation, resource sharing, repography, clipping etc.

It is also hosting Centre of Excellence for Teaching and Learning (CETL) aiming towards Personal Branding and Soft Skills development among Agricultural Students. It is one of the first State Agricultural Universities to have started centre for Teaching Excellence in collaboration with University of Illinois USA to train faculty members in Teaching Technology and propagate good / teaching practices for quality leaning.

Besides advocating basic institutional knowledge students are also exposed to international organizations under sandwich programme to get an idea on research advances at global level and to prepare them for national and international competition.

Entrepreneurship development through Experiential Learning Programme in the disciplines of Horticulture (Commercial Horticulture, Protected Cultivation); Plant Pathology; Food Science and Post-harvest Technology, Animal Clinic and Communication Skills & Personality Development to provide holistic development of students is also provided regularly. An electronic Media Production Centre under Rashtriya Krishi Vikas Yojana (RKVY) programme using Information & Communication Technologies has been established, which is a modern Centre for open and distance learning with the use of e-learning, video conferencing and multimedia learning materials.

1.4 RESEARCH

The university research addresses almost every component of agriculture and is executed under six key programs including crop improvement, natural resource management, crop protection, product development and marketing, social sciences and animal science. The research activities in the university is typically targeted to cater the special needs, crops and ecologies of diverse farming communities at local, state and national level. As a symbol of growing confidence, several international partners like CIMMYT, ICRISAT, IRRI, IPNI, ACIAR, ICARDA have expressed their interest and have joined in alliance with BAU to operate in collaborative mode.

1.5 EXTENSION AND OUTREACH

BAU Sabour has a statutory role to play with regards to extension education. Extension services carried out by the KVKs, Colleges and Research Station of the BAU Sabour is the vehicle which carries agricultural technology/ interventions developed by the University for the benefit of farming community. This major function of extension is accomplished through dissemination of farm information through training of farmers and extension functionaries educating the farmers through field activities. In order to carry out these extensions 22 KVK, 12 Research Stations and 9 colleges are working on and off the field.
