Karnbhumi krishak producer company limited

JOB DESCRIPTION: Agriculture Expert

About Karnbhumi Farmer producer company :

Karn Bhumi Krishak Producer Company Limited was incorporated under the project on 23rd May 2018. The main objective of the company is to empower and increase the income of the members by engaging in the production and marketing of agriculture and allied products. The members belonged to the districts of Munger and Bhagalpur of Bihar. It engages in the input marketing of seeds, fertilizers, pesticides, and output marketing of vegetables, cereals, market gardening, and horticulture. The origins of Karnbhumi lie in the struggles of women farmers who wanted to increase the yield from their land, making it more productive. It is an active cooperative where women are front runners not just as leaders but as a robust peer support system for helping with adaptation to new technologies, practices, and systems.

AboutSEWABharat

SEWA Bharat (www.SEWAbharat.org) is the All-India Federation of Self-Employed Women's Associations that works with women workers in the informal sector in 18 states. In all these states, SEWA is involved in organizing women workers and their development through Self Help Groups, Co-operatives and Federations. With over 2 million active members across 18 states, SEWA Bharat's reach in the development sector is ever expanding. SEWA Bharat supports development programs and activities that organize women so they can aim to achieve full employment and self-reliance for all its members. SEWA Bharat is a family of SEWA organizations to further informal women workers' rights, livelihoods, financial independence, education, health and social security.
